

Know, O Prince...

...that in the time when Conan the Cimmerian sat upon the Throne of Aquilonia there arose whispers from Stygia. Whispers of a scheming sorcerer whose black heart was set upon vengeance. Heard first in the ruined temples of demented fanatics, then in the back alleys of thieves quarters, where the malcontent and the grumblers welcomed the sinister winds of change that blew from the South.

WHISPERS FROM STYGIA - THE NEMEDIAN CHRONICLERS

# CONAN WHISPERS FROM STYGIA SPECIAL EDITION
